It took ages to get here, which is to be expected as it's a Seahawks item and the world loves the CHAMPS. Many thought it would be for my 17 month old but the joke is on them, I read this to myself at bedtime as I drink my milk, sleep like a baby every time. My toddler tried to read it one and I had to give him the People's Elbow, he already eats lots of my food, he's not getting away with reading my Seahawks ABC book, too. I've placed a second order so he can share in the sheer joy of this literature.

I purchased this book for a gift for a baby shower, where it was asked that the guests bring a book in lieu of a greeting card. Since the mom and dad to be are serious Seahawk fans, I found this to be the perfect book! It was the hit of the shower!

This was a shower gift to a family of die hard Seahawk fans. The baby's dad can hardly wait to be able to read this to his son.

This little book was an awesome find. My husband loves reading it to our daughter.

So cute! Who won't want this book for there little Seahawks fan! The book is much smaller in size then I thought it would be....tiny but cute

Absolutely crazy and die-hard seahawks fan here; not really the best book. I think it was created in five minutes right after superbowl 48.

Fun baby book for anyone who is a part of the Hawk Nation. It's never to early to start the next 12th man or woman on the right path ;-)

My little Grandson loves it and only 4 month old !!!!Loves to look at the Bright Coloer Pictures!!!!
