Fred was a special person this was a great book signed by him for a gift of inspiration to my son everyone should read Fred's works when they need a sound perspective

This is a book that has small snippets of advice and guidance on the major subjects of child rearing. I try to read one page a day to help keep my perspective in the classroom. Mr. Roger's insightful bits of knowledge help keep my eye on the goal and not on the crisis or heat of the moment. "Creativity and imagination are the beginning of problem-solving for a young child." PG 56.

How great was my delight at finding this book available through . Mr. Rogers had such wisdom that he shared in the most gentle way. I feared this book was one I would not find available to order. I appreciate the inventory offers for sale and the superb delivery system that brings you what you want, when you want it, in top notch condition at outstanding prices.

I bought this signed copy of You Are Special for my husband for Christmas from a local used

bookstore, and each morning we would read a few pages of Mr. Rogers's wisdom and philosophy to start our day. It was insightful and nostalgic for two Gen Xers. Lovely book that evoked nice memories and discussions.

How can you go wrong with Mister Rogers. These words of wisdom are timeless and exquisitely beautiful. Thank you, Mister Rogers.
