Customer Reviews

I really like this book. I had to do a school project and this was the perfect thing to help me do it. It is totally recommended!

Great book for Storybook Character day, my daughter dressed as cleopatra and brought all this book! Very Cute & Age appropriate

Told in story form but says a lot about the real cleopatra and her life. A learning book.

The school has the children choose a character from a book for their Halloween costume. This was fun reading for my 9 yr old grand-daughter who chose to be Cleopatra.

This book gives fun interesting facts about the life of Cleopatra. My students love reading these books and laugh throughout the story. The pictures draw the students in making them want to read the text to understand more about what is going on in the story. The author does a great job of trying to describe difficult concepts to students.

I ordered this book for my 10 year old daughter for a project on Cleopatra. She could not put it down, and kept saying: Listen to this!.Excellent book.

For my grandkidsÃ¢Â Â|BUt, I love it too!!

Don't be deceived by the cute pink cover. The illustrations of stabbings, beheadings and suicide, complete with dripping blood are disturbing and inappropriate. Some historical facts need not be shared with children. This book was removed from our school library.
