Customer Reviews

This wonderful surprise of a series continues from The Ancient Magus' Bride Vol 1 and the cliffhanger ending of The Ancient Magus' Bride Vol. 2, which left Chise stabbed by a Chimera (a magical monster put together out of the parts of dead humans and animals) created by the true villain of the piece, who it turns out had been forcing Renfred and Alice to do his bidding. Thinking Chise dead, Elias goes berserk and completely monsters out into something from out of a nightmare, ripping the chimera to pieces. However, before he can also try to tear the villain limb from limb, a very much alive Chise embraces him, monstrous form and all, bringing his rampage to a halt, and Renfred shows up to blow the villain's brains out. Unfortunately, this proves only a temporary respite. The rest of the book consists of several segments pondering the question in my review title. In particular both Angelica and Lindel, mages met in earlier books, express concerns that Elias is manipulating Chise into total dependence on him, and as even Chise realizes, Elias is

still keeping secrets from her, something that bothers her more than it did at first. In addition more horrific details from Chise's childhood are revealed. It will be fun watching these two figuring things out in the rest of the series:
