Customer Reviews

George Knight always does a great job in his book. This book is no exception, as it is concise, and gives a good overview of the Seventh-day Adventist Denomination (of which I am a pastor). He breaks it down in to various periods of the church's growth, and gives a great understanding of the people who have contributed to the church, and how God has led a people to become a revelation of His character in these last days.

The book content is probably fine, however be forewarned that the kindle version, as terrific as it is, does NOT contain any page numbers. This makes referencing and citations the book impossible, following along with others difficult, and reading assigned pages by your teacher impractical. Take my advice, if you are needing the original page numbers AVOID THE KINDLE VERSION and buy from Google Play Books - their e-reader does have the page numbers for nearly the exact same price. Sorry ... my wife LOVES her Kindle, but not convenient for homework when you intentionally remove the page numbers.

I loved the book, loved it mosly after I downloaded it and was able to read it on line, the print is so nice and you can mark the pages or erase what you have highlighted, also put notes in the pages, I

love the way that this works.

A good read for those who are interested in the development and progress of the Adventist movement. I would highly recommend it.

I love this Book, it covers a very good overview of the History of the SDA Church. I am studying my faith as a Seventh Day Adventist and this book is really Helpful.

I love reading George Knight's books, and this one is no exception. It is well written and balanced. I recommend it to anyone who is serious about learning the history of the Adventist Church.

George Knight has written a good primer on the origins and history of the Seventh-day Adventist church. It is a good book for new members or anyone wanting to learn more about the church

This book covers the most important events in the history and formation of the Seventh-day Adventist Church. Short and concise but packed with facts, dates and names.
