## Customer Reviews

From the novice to the seasoned Christian believer, or to anyone interested in the answers the Christian faith has to give concerning the timeless and contemporary questions humanity asks, this concise book delivers. Theological truths are approached in a simple question/answer format -which is very clear, short, simple and understandable to all. This, in itself, is no small accomplishment. All answers are Bible based, from the Protestant perspective, allowing the Bible to speak for itself. The book design: paper, graphics, and layout is of very high quality. For its brevity and size this book packs a powerful punch. I very highly recommend it for any age group, for both Christians and truth seekers alike.

I'll be honest -- I bought this book as a joke to show my friends that we've been studying all these years for nothing. All we had to do was read 64 pages to understand the bible completely! Well, we did laugh, but then we looked at some of the charts, maps, etc., and each of us found nuggets we didn't know. Consider me chagrined!

Will help me in the future in trying to understand the Bible.....The reference Guide is so easy to understand....Thank You& God Bless

This Pocket Reference has been a great help and a wonderful tool to the group that meets in our home for bible study.
