Courageous Living Bible Study - Member Book

Synopsis

In the new film *Courageous* (from the makers of *Fireproof*), four law officers are confident and focused when standing up to the worst the streets have to offer. But leading their families at home in a God-honoring way? That takes courage. Based on the highly anticipated movie, the *Courageous Living Bible Study* is a 64-page book used for four weeks by an individual in relation with the class leader's companion teaching DVD of *Courageous* film clips. It will guide the participant toward living more courageously in four key areas: Responsibility: serving, protecting, and casting a vision for their family Priorities: focusing on eternal things rather than what is temporary Legacy: recognizing a father's potential impact as a godly role model Faith: strengthening a father's identity in Christ, increasing in wisdom

First let me say that I am so excited to have purchased this bible study! This is a four session study that I intend to use in our household. I love the topics that this bible study cover.. We do need to fight for our families on on the home front. Many people focus on other things like work and friends etc before they focus on their home front. This bible study covers the following: Session one *Courageous Call*, It takes courage to fight for my family.. I love this first session because in this world we physically live in, we are shown not to fight for family, it is easy to walk out and start over with some one else per the worlds view... Many families need this study to show them God's way... Session two *Courageous Priorities* It takes courage to value what matters most... Now this is

awesome, because so many people value other things like work and cultivating friendships at work instead of going home to build relationships that will last for generations. Session Three Courageous Legacy, It takes courage to impact future generations.. Now this is so true, as it takes a Courageous man to want to leave a legacy.. Many don't care about walking out and leaving the family because they don't know the value of the legacy... Session Four Courageous Faith, It takes courage to stand with Christ... Whew! Yes it does,... You have to realize that if you don't fit with the cliques, it only means that God has you set aside for the kingdom and it is okay not to fit in with the cliques... It takes real men to be okay with this and to stand with Christ and not the cliques.. So many fathers, men are lost, lost souls and they do not have a guide, many don't have fathers to follow.. Many are involved in sin and have lost their way..
