Customer Reviews

If your kid is as obsessed with vehicles as mine is, then this will be a hit. My 2.5 year old likes to read it AND drive it.

The book was listed as good condition but it looks like a dog attacked it. Can't even read every page. I would not say that is good condition.

Was a great gift for my nephew. He love this book.

My son loves this book.

Best book I've ever bought for my son! He reads this daily, he was 2 with I got it for him, he's now 3, and still to this day..uses this all the time! He loves tractors, farming, equipment, etc. This is perfect! He has learned a lot from it!
