D. Duane Cummins knocks the ball out of the park with this one! This book is a handy little primer on the Disciples of Christ Christian Church. Well written and easy to read this small volume packs a ton of info in an easy-flowing, easy to digest explanation of the history and beliefs of the Christian Church. I highly recommend *A Handbook for Today's Disciples: In the Christian Church (Disciples of Christ)* to anyone thinking of joining the Christian Church (DOC) or any current members who wonder just how we came about and where we came from.

The Book was Older and more used than I expected but it was all there and usable. I will buy again.

Very good book. I recommend it for all disciples.

Comes in handy.

This is an update of the 1980s book which I needed to replace. I had borrowed this book (first printing or so) and the paperback got salad dressing on it. Oh those church potlucks get a little feisty!!! The order came quickly as stated and in good condition ... no mixups in the order, either. It was the first time I have ordered via .com ... liked the format, ordering form, quick service, and of course, the good price.
