Fallen Angels And The Origins Of Evil: Why Church Fathers Suppressed The Book Of Enoch And Its Startling Revelations

Synopsis

Did rebel angels take on human bodies to fulfill their lust for the daughters of men? Did these fallen angels teach men to build weapons of war? That is the premise of the Book of Enoch, a text cherished by the Essenes, early Jews and Christians, but later condemned by both rabbis and church fathers. Elizabeth Clare Prophet examines the controversy surrounding this book and sheds new light on Enoch's forbidden mysteries. She demonstrates that Jesus and the apostles studied the book and tells why church fathers suppressed its teaching that angels could incarnate in human bodies. Contains all the Enoch texts, including the Book of Enoch, and biblical parallels to the Book of Enoch.

Book Information

Paperback: 524 pages

Publisher: Summit University Press; 5th Printing edition (January 1, 2000)

Language: English

ISBN-10: 0922729433

ISBN-13: 978-0922729432

Product Dimensions: 4.4 x 1.1 x 7 inches

Shipping Weight: 1.6 pounds (View shipping rates and policies)

Average Customer Review: 3.7 out of 5 stars Â See all reviews Â (118 customer reviews)

Customer Reviews

This is not the space for comment on the author. Anyone wanting to know about Elizabeth Clare Prophet, her Church Universal Triumphant, and the Summit Lighthouse organization can very easily search for her own web pages on the net and form their own judgement. One thing you will not find in this book is a cogent examination of 'Why church fathers suppressed the book of Enoch'. To write on such a subject one would have to know something about the formation of the Hebrew canon - an area in which Ms. Prophet clearly has not even taken the trouble to read the standard texts (such as Leiman, Wurthwein and Tov), and then on patristics (where R.H. Charles gives a decent summary of Origen, Jerome and other fathers' views on Enoch). However, on the positive side, for those who are looking for a copy of the Book of Enoch, some alternative suggestions: If you are looking for a

general read about all the various traditions about the Enoch mentioned in Genesis and then taken up by various Jewish, Christian and Muslim writers since, the book for you is probably 'Enoch A Man for All Generations' by the eminent professor James Vanderkam, chairman of the Society for Biblical Literature. If you are looking for a scholarly and accurate translation of the original text of Book of Enoch as quoted in Jude 14, then the book for you is either the 1912 translation by R.H. Charles published (still) by SPCK, or the Old Testament Pseudepigrapha Volume 1 ed. J.H. Charlesworth, and published by Doubleday 1983. Avoid the elderly 1821 translation by Rev. Richard Laurence if possible. If the SPCK version is out of print, there seem to be various 'reproduction' copies available from American New Age publishing houses.
