The Chocolate Voyage (Dr. Seuss/Cat In The Hat) (Little Golden Book)

Synopsis

When the Cat in the Hat eats Nick's last piece of chocolate, the gang visits the Forest of Coco-a-licious to learn to make their own. There they discover that chocolate is made from cocoa beans which grow on trees--and that the raw beans actually taste pretty awful! Undeterred, the gang help harvest, dry, and roast the beans, separate the cocoa butter and liquids, and cook the mixture with sugar to make the sweet confection we all know and love. A perfectly tasty read for any time of the year, *The Chocolate Voyage* is ideal for Valentine's Day, Easter, Halloween--any time chocolate is on the menu! Fans of the PBS Kids television show *The Cat in the Hat Know a Lot About That!* will gobble this one up!

Great book....my son really likes this book. Great pictures. Always looking for a new Dr Seuss books. Can't have enough of them.

Cute book, my son loves it, great colors, and nice story, He is learning how to read so he loves it

My son loves and is very satisfied with this item.Thank you

4 year old enjoys.

I thought this would have a bit more detailed information on the chocolate-making process . . . it seemed very thin, even for a kids' book.

My 3 year old loves this book almost as much as he loves chocolate, but as I'm reading it, I can't help but be irritated by the horrific and repeated punctuation mistakes throughout the book. I mean, I get that my 3 year old won't understand when and where to use quotation marks properly for QUITE some time, but I'd prefer that the editors at least try to make an effort to do their jobs. Our kids are learning to read at write, so perhaps we should set a proper example for them from the very beginning? Just a thought.

Great rhymes! It's a quick read and informative for young minds. It's perfect for toddlers and early elementary students. A
