Customer Reviews

Love the book. I gave my last one away and ordered this one but it doesn't have the scripture references typed out like my last one. I am returning it to order one with the full scriptures.

I gave my copy away to my daughter, and thought I was replacing it with the same one that included the Scripture verses not the references only. I will return these and buy what I want at a retail store.

I thought I was buying the same version I already own. This edition just references bible verses not the full printed verse. I bought these as gifts. Considering returning.

The content is wonderful, however the print is very small and it does not include full scriptures. A

sample page to view would have helped. I have a similar one that is much bigger. I thought this was what I was ordering.

The book is good quality and looks like the picture, but I thought it was much bigger with the scriptures like mine had. I bought this for my mom and she is unable to use it since it is too small and doesn't have the scripture to follow. I want to send it back, but don't know how to. Could you please help me do that? I just don't want to pay even more shipping.

This book speaks for itself (as well as for Jesus, of course). My two friends and I have bought it several times over for giving to, yet, other friends. It spreads like wildfire! Invest in a copy and see for yourself.

I actually received this as a gift, and then purchased a Kindle version, and another leather bound version to give as a gift. I think it is the best daily devotional that I have ever read. Every day seems to have a very pertinent message that will enable to take a good approach to your day, no matter what you have going on. Be sure to read the introduction as the author talks about how to invoke Jesus' presence, and reminds the reader to trust Jesus. I highly recommend this book. The leather bound edition is also a beautiful book just to look at and feel.

I never knew they had a book like this until my ex-boyfriend showed me his original version which was a bit bigger than this one. Once I started reading the daily quotes from the good Lord in this book, it's as if he is talking to you & directly giving you his advice on living life trusting him. I bought this book for myself and I just bought another one for my best friend for her birthday and she loved the book as she is also a Catholic. It is nicely designed & I like the ribbon bookmark that comes with it!
