A Handbook For Today's Disciples In The Christian Church (Disciples Of Christ) 4th Ed.: Fourth Edition

Synopsis

This new revised edition of a Disciples classic is an overview of the Christian Church (Disciples of Christ). In offering an overview of the church, this handbook provides concise information on Disciples' heritage, thought, worship, mission, and structure, making it a valuable resource for both church members and members-to-be, and for those who simply want to know more about the church. The author illustrates his summaries of Disciples traditions with excerpts from Disciples documents and scripture, bringing a major American religious movement vividly to life.

This work was formatted in such a way as to overview the history and scope of the greater Disciple's movement and especially the Christian Church (Disciples of Christ). Readers will gain insight into how Disciples came about and how this particular denomination fits into the larger Restoration Movement. Readers are additionally introduced to the basic theological understandings of the Disciples in both current and historical practices. The only areas not touched upon include: liturgy, sacred music and artistic expressions of the Disciples. Given the goal to create an introductory look into the Disciples, the lack of these areas are not keenly felt and do not diminish the solid foundation created by this particular work. My thanks to the those who wrote, edited and worked on this volume as it has been a great pleasure to read and easy to read, understand, leave from and return too.

I was seeking materials/curriculum for an adult membership class when I found this book on . It was perfect for an adult who was seeking baptism and membership into my congregation. And, I found the book adequate for sermon references as well. I highly recommend the book to anyone seeking to know more about our Disciples denomination.

This book is useful for finding out about the denomination known as the Christian Church (Disciples of Christ). The chalice is the denomination's identifying graphic mark.

This is a very well written clear explanation of what the Christian Church (Disciples of Christ) practice and believe on a day to day basis.

Provides good detail about The Christian Church (Disciples of Christ). The principles that the church was founded on, it's mission, and it's structure.

A very good study/handbook for those wishing to learn more about this denomination.

an excellent book!
