The Usborne Big Book Of Big Sea Creatures

Synopsis

From the great white shark to the mighty blue whale, children will love discovering the biggest creatures under the sea (and some of the littlest too). Each page is packed with huge, brightly coloured illustrations and fascinating facts. Extra long fold-out pages show some of the biggest, fastest and longest underwater creatures of all. --This text refers to an out of print or unavailable edition of this title.

Customer Reviews

Very nice colorful illustrations with large 4 page spread outs one showing the larger whales in detail. Has descriptions.. Someone was selling these at a Baby Expo today and I bought it. Looked on to see if it was available. Same price for a new one but I bet the used ones are nice as well. It's a sturdy book.

Good book.
