## Customer Reviews

I am never disappointed in the Maximum Ride manga series! The art is always fantastic and the story is brilliant! This volume was very fast paced, and I love the volumes like this one. We get some more great city views and just seeing what the flock does from day-to-day now that the world knows who they are is also very fun. I can't wait for volume ten!

I love,love,love this manga book. I felt like I was waiting for chrismas instead of this book.It was really good and I finished it in like 15 mins. I've read the original maximum ride books and this manga is really close to the main story. The pictures are more detailed an give off more emotions. Now I can't wait for the next volume.Great comic book NaRae ! :)(I'll be reading the whole series all over again!)

I've been reading the novels and manga for a while and volume 9 is really short compared to the others. I finished it in 30 minutes. Also, the character from the cover isn't really in this volume...I really wanted his character to be introduced to the flock. Story is still enjoyable and some major character development. Story seemed a little rushed. Will I buy volume 10? Absolutely? Would I recommend this to anyone? Yes, especially those that love the series. Can't wait for volume 10!

Ever since reading the 8th volume of this series I was going crazy figuring out what happen to max and the flock. Now I can breath a sigh of relief. I can't wait for the next volume.

This book was so cute. There were so many adorable moments between Fang and Max. I can't wait until the next one. This series is my favorite of all time!

I've have been waiting for this book forever!!! Now I finally have it!! I was super happy to get it! I can't wait for more! I love the artist!!

I love the maximum ride Manga seriesBut I wish they could come out with book 10 so I could see what happens next

This book was action packed and thrill filled. If it wasn't for James Patterson I wouldn't really like reading.
